## PRAYER REQUESTS

Your prayers are very important for a ministry like ours, so we implore you to include us in your prayer list. We do not want to inundate you with a long list of prayer requests, but here are our top prayer request(s) this month.

**Request: Pray that missionaries have wisdom in communicating the true Gospel message.**

On a hot afternoon, two teenage boys sat on a broken gravestone under the shadow of a tree, relaxing and wondering what the future holds for them in that village. A group of local missionaries that Ife Global Outreach support have chosen that village for medical outreach that day. As they arrived, one mission worker spotted the boys and immediately approached them, starting a conversation and an opportunity to share the gospel. These guys have needs, but they're not sick and do not need any treatment or checkup by the medical team that came to their village. What is top on the list of their needs? They want to have an education, and get out of the village and poverty they grew up in. They want to live in Europe or in America and have less need to present to God because life is more comfortable. Their perception is that hard work guarantee success and prosperity for residents of Europe and America rather than

dependence on God or any religion. Beyond that, you may need religion (or a god) to help you keep what you acquired by hard work, or to live long so as to enjoy the fruit of your labor. However, teenagers in this village such as those engaged by our missionary, feel a need for a god (or a combination of gods or religions) to help them realize their dream; therefore, they're all ears and ready to listen to our missionary. Our frontline mission workers are thankful to God for any open opportunity to present the Gospel. Beyond that, they realize that they need wisdom from God in order to communicate the Gospel message effectively – including correcting the notion that accepting Jesus is only good as long as Jesus grants your list of requests to bring you prosperity. That is why discipleship is a core program that follows any outreach program that we sponsor. Our desire is to see converts who will understand that life is more about finding and doing God's purpose for your life instead of asking God to rubber-stamp what you planned or determined is best for your life.

Please pray that our missionaries will have boldness to approach people and start conversations on difficult and sensitive topics. Pray that they will have wisdom on how to approach individual subjects. Pray that God will open the spiritual eyes of the listeners so they can understand the true gospel and respond in more genuine conversions. Pray that God will send more laborers into the mission field (Luke 10:2).

Our purpose at Ife Global Outreach is to assist frontline churches and missionaries in communicating the true Gospel message to remote communities in Africa. In order to be effective, we use humanitarian assistance to meet the immediate needs of individuals or communities where possible, to demonstrate God's love and care regardless of the religious background of the recipient. Pray for this ministry, that Ife Global Outreach will have enough funds to support pastors and local missionaries in remote regions of Africa. Pray for encouragement for missionaries who are working in remote villages where nobody wants to go. Pray that they will have wisdom to share the Gospel even when they can't meet the physical needs of the people.

When pastors and missionaries on the field share their needs with this ministry, we can only supply out of the little funds we have on hand. Please pray that God will raise up more Christians in the Western World who will have compassion to give to the work of this ministry from what God already blessed them with.
