A ministry of Rotimi & Bose Ladeinde **October 2024**

Request: Praise God for the success of last month's outreach to Isara-Remo.

This month, we want to give a Praise Report. We thank God for the response to the outreach from the town and surrounding villages of Isara-Remo in Nigeria. Thank you all for your prayers and support in making this happen. Our missions partners were assigned to Zone B, which includes a village on the outskirts of the town of Isara. We have some pictures to share with you from the outreach. Here are some highlights:

Villagers waiting for medical checkup

Villagers turned out in large numbers, many dressed in their best attire to impress the visitors. The volunteers started by leading the villagers in praise and worship, then followed with the preaching of the Gospel message. After that, those who needed medical attention were seated in an open space while they waited patiently to be attended to by the medical staff. There were breakout sessions where different groups received counselling or Bible teaching depending on their age group and sex. For example, young teenage girls had special counselling while younger kids were taught Bible stories. Women were taught the importance of health checks and hygiene. There was a case of a woman in the village who had stage 4 breast cancer but did not go to any hospital or health center. She was ignorant of the danger of breast cancer, and she tried using local herbs and medicine until the cancer spread to other organs in her body. This case posed a challenge to our missionaries who really wanted to help

Volunteer teaching the kids during breakout sessions

but could do nothing except to pray with her and support her with some food and other items that will make her comfortable.

Food and some clothing were given away to those in need, while some men and young boys received free haircuts. This outreach turned out to be a learning experience for many of our young volunteers – Praise God!

Medical volunteers attending to a man while others wait...

Volunteer Counselling teenage girls during breakout sessions

Haircut for men & young boys

Donated clothing, free for villagers

Medical Volunteers during outreach

Again, we thank you for participating in the Isara-Remo outreach. Your prayers prepared the souls as we witnessed large turnouts and open hearts, ready to receive the Gospel message. We are especially grateful for those who supported us with monetary gifts – no matter how small – without which it would have been impossible to fund this outreach.

Pray for the woman with stage 4 breast cancer. We did not show her picture on purpose because it is too graphic. Pray that she will find comfort in the Lord as she has been introduced to Christ. Pray that those who committed their lives to Christ during the outreach will not go back to their old ways. Pray that God will establish a new church in the village that will cater to their spiritual needs. Pray for the volunteers – that they will be encouraged to continue serving the Lord and their community with their time and professional skills. Pray that all their needs will be met even as they sacrifice their time to minister to the people of Isara-Remo.

If you missed out on previous months' reports, please go to our website <http://ife-global.org> and click on the "Ministry Updates" link to view or download pdf copies of our monthly report.

We urgently need **monthly** support partners to survive. If God has placed on your mind to give in support of our work, please do so on our website: <http://ife-Global.org>
