A ministry of Rotimi & Bose Ladeinde September 2024

Your prayers are very important for a ministry like ours, so we implore you to include us in your prayer list. Here are our top prayer request(s) for this month.

Request: Pray for local Churches, Ministries and Christian professionals who are participating in an evangelistic outreach to the town of Isara-Remo this month.

As you read this newsletter, a coalition of churches, ministries and volunteer Christian professionals including doctors, nurses, social workers and counsellors are preparing to launch a massive evangelistic outreach to the small town of Isara in Ogun State, Nigeria. Isara town is located halfway between Lagos and Ibadan and has a population of about 90,000 – mainly farmers by profession. This evangelistic outreach is coordinated by a young, anointed man of God, Timothy Osiyemi who is based in Isara town, but leads different teams to minister to surrounding villages that are really hard to reach because of bad or no accessible roads. Sometimes, the ministry teams that he leads stay in a village for 2 or more days (if required) if they feel a need to disciple or minister

to more people in the village. This month, our ministry partners were invited to participate in this Isara-Remo outreach along with other churches and ministries in the Remo region.

We received a request to help provide medical supplies that will be used as part of the free healthcare checkup for attendees. Also, they want to send everyone home with some foodstuff because they know many people are very poor and don't have enough to eat or to feed their families. So they asked if we could also help supply some of the food that will be packaged and distributed to attendees. It is a privilege that we could participate in ministering to the needs of the people of Isara, as we also pray that this will open the way for many to give their lives to Christ and experience the joy of living for Christ.

I need to add that apart from preaching the Gospel, providing free medical checkups and counselling to attendees, there will also be free distribution of clothing, shoes and other donated household stuff to those in need. These items are provided by other ministries. At this time, IFE Global Outreach do not collect new or used clothing for distribution abroad, but we may consider doing so in the future as we get more requests from our pastors and missionaries. We also count on the generous support from you to make it a reality.

How can you participate in the Isara-Remo outreach? You can be involved by praying for the success of this outreach. Pray through the last weekend in September when the outreach will take place, then continue to pray after for those who have been reached to be established in the Lord and grow to maturity.

Pray for the people of Isara-Remo and surrounding villages. Pray that the Lord will prepare their hearts to receive the Gospel. Pray that the sick will receive healing, the hungry will be fed, and those who need counselling will find Christ-Centered solutions to all their problems.

Pray for all volunteers who will participate in the evangelistic outreach. Pray that these young Christian professionals will learn to use their skills to bless the needy. Pray that they too will be blessed in serving the Lord. Pray that all their needs will be met even as they sacrifice their time to minister to the people of Isara-Remo.

Our purpose at Ife Global Outreach has always been to assist frontline churches and missionaries in communicating the true Gospel message to remote communities in Africa. To be effective, we use humanitarian assistance to meet the immediate needs of individuals or communities where possible, to demonstrate God's love and care regardless of the religious background of the recipient. Pray for this ministry, that Ife Global Outreach will have enough funds to support pastors and local missionaries in remote regions of Africa. Pray for encouragement for missionaries who are working in remote villages where nobody wants to go. Pray that they will have wisdom to share the Gospel even when they can't meet the physical needs of the people.

When pastors and missionaries on the field share their needs with this ministry, we can only supply out of the little funds we have on hand. There's a lot we can do to be effective, but we have limited resources. Please pray that God will raise up more Christians in the Western World who will have compassion to give monthly support to the work of this ministry from what God already blessed them with.
